When does voting begin?

Online, telephone, and mail-in voting begins Aug. 1. In-person voting begins at 9:30 a.m., Aug. 24, at the annual membership meeting.

Why is my SSN required?

The last four digits of your social security number (SSN) serve as the unique identifier that ties you with your account. This is how we know it's you casting the vote and not someone else. Online and telephone voting require the last four digits of your SSN to gain access to the ballot.

Do I have to provide my SSN?

Carroll Electric understands that not everyone is comfortable providing a portion of their SSN. Therefore, you may request to have a paper ballot mailed to the residence on file with the cooperative or vote in person at the annual meeting without providing the last four digits of your SSN.
