

\$400 Heat Pump Rebate

July 1, 2026 - June 30, 2027

It is the interest of Carroll Electric and its members to reduce the demand for electricity and promote the installation of a new heat pump for heating and cooling in a new or existing residential home. Carroll Electric, at its sole discretion, may offer a rebate to encourage energy efficiency for approved heat pumps. In order to qualify for a heat pump rebate, the member must agree to adhere to the following program requirements.

Qualified Equipment and Installation

- Equipment shall be rated according to ARI (Air-conditioning & Refrigeration Institute) test standards and certified by ARI or CSA (Canadian Standards Association) or other nationally recognized testing organizations.
- The heat pump shall be a central system or ductless mini-split meeting current minimum federal appliance efficiency standards.
- The installer must be licensed in the state of Ohio
- Central systems must include properly-sized duct work.
- Dealers shall provide to customers, as part of the sales-installation agreement: An owner's manual and instruction for equipment operation, installation instructions and warranties, and offer for a maintenance-service contract.

Eligibility & Conditions for Rebate

- The participating dealer or consumer shall be required to submit to Carroll Electric:
 - Application for rebate & copy of sales receipt
 - Upon request by Carroll Electric, copies of equipment and duct sizing calculations
- Carroll Electric must verify through a purchase receipt that a new heat pump was purchased and installed between July 1, 2026 - June 30, 2027.
- Carroll Electric will schedule an appointment to verify the heat pump has been installed at the member's service address before issuing the rebate.

Rebate Requirements

- The building where the heat pump is installed must be a residence which uses electricity from Carroll Electric. No commercial or industrial buildings.
- Rebate is to be issued to the cooperative member; the rebate can be paid to a builder/dealer if a home is new construction.
- A rebate request form and proof of purchase by the member must be submitted to Carroll Electric by June 30, 2027.
- The heat pump must be purchased by the member. Purchases made through any assistance programs are not eligible for a rebate.
- A rebate in the amount of \$400 will be issued by Carroll Electric in the form of a bill credit.
- A maximum of two **(2)** heat pump rebates may be paid per membership.
- Rebate request forms are available in the Carroll Electric office or can be printed from Carroll Electric's website at www.cecpower.coop.
