

\$75 to \$200 Electric Water Heater Rebate

July 1, 2022 - June 30, 2023

It is the interest of Carroll Electric and its members to reduce the demand for electricity and promote the use of high efficiency appliances. Carroll Electric, at its sole discretion, may offer a water heater rebate to encourage energy efficiency. In order to qualify for an appliance rebate, the member must agree to adhere to the following program requirements:

Appliance Specifications

- The water heater must be a new electric storage tank unit that is greater than 90% efficient (greater than 0.90 EF).
- Appliance must be at least SO-gallon capacity.
- Water heater must have at least a five-year warranty.

Existing homes w/ electric water heaters

Warranty	Capacity 50-70 Gallon	Capacity Over 70 Gallon
5-10 years	\$75.00	\$100.00
11 years or more	\$125.00	\$200.00

New homes or gas conversions

Warranty	Over 50 Gallon
Minimum 5 years	\$200.00

Conditions of Rebate

- A radio-controlled switch will be installed or inspected and must remain on the water heater for a minimum of five years.
- Appliances not meeting the capacity and warranty requirements are not eligible for this program.
- The purchase and installation of the electric water heater must be approved by Carroll Electric.
- Carroll Electric must verify through a purchase receipt that new electric water heater was purchased and installed during the rebate period.

Rebate Requirements

- The building where the electric water heater is installed must be a residence which uses electricity from Carroll Electric. No commercial or industrial buildings.
- Rebate is to be issued to the cooperative member; the rebate cannot be paid to a builder/dealer.
- A rebate request form, proof of purchase and warranty must be submitted to Carroll Electric within 90 days of the purchase of the water heater, or by the end of the rebate period, whichever comes first.
- A rebate will be issued by Carroll Electric in the form of a check, or it may be placed on the member's account as a bill credit. If the member has a past due balance, the rebate will automatically be applied to the member's account as a bill credit.
- A rebate request form and proof of purchase by the member must be submitted to Carroll Electric by June 30, 2023.
- The heat pump must be purchased by the member. Purchases made through any assistance programs are not eligible for a rebate.
- Under no circumstances will the rebate amount exceed the purchase price of the water heater.
- A maximum of two (2) water heater rebates may be paid per member home.

Exclusions

- Hybrid Heat Pump Water Heaters and on-demand water heaters are not eligible.
- Seasonal accounts are not eligible.

Funds are limited for this rebate. Rebates will be filled on a first-come, first-served basis.

Carroll Electric will periodically review this program to determine its continuance and value to our members.

By signing this agreement, I consent and agree to participate in Carroll Electric's Water Heater Rebate Program. I understand that the water heater must be installed and used on my premises as a member of Carroll Electric Cooperative, Inc. I further consent to the installation, servicing and subsequent inspection of the radio control switch on my water heater and I understand the radio control switch must remain in service on my water heater for as long as the Co-op deems appropriate. Should I remove or permit removal or disconnection of the radio control switch, I understand that I will be obligated to repay the Co-op the cash incentive payment and any discount applied to my monthly statement after removal. I understand that the Co-op may from time to time inspect and service the radio control switch and that the radio control switch is property belonging to Carroll Electric.

In addition to the above items, I understand that I will receive a credit on my monthly statement as long as the radio control switch remains in service and the incentive is offered and authorized by our board of trustees.
